NORTHEAST COLLEGES & UNIVERSITIES SECURITY ASSOCIATION
AMERICA'S OLDEST CAMPUS LAW ENFORCEMENT ORGANIZATION

May 2018

Our Mission Statement:

The mission of the NorthEast Colleges and Universities Security Association (NECUSA) is to promote public safety in higher education through professional development, networking and information sharing through formal and informal opportunities. We hold the principles of basic human respect and the value of family at the core of our association and strive to promote these principles through proactive education, outreach and support.

Time is running out....Don't miss your opportunity to attend the NECUSA 65th Annual Conference June 24-27

Member conference attendee please go to
https://ptsem.formstack.com/forms/2018_necusa_confernece_registration

NECUSA presents awards each year to recognize the outstanding performance, achievements, and/or service of college and university personnel in our member institutions.

Award Nominations go to

https://ptsem.formstack.com/forms/necusa_award_nomination

Self-reliance Nominations go to

https://ptsem.formstack.com/forms/alan_reynolds_selfreliance_award

Any questions contact chair email Dave Boyer at djboyer@williams.edu

This Year's Conference Topics will be:

- Review of Lessons Learned from Department of Education Clery Act Audits
- Campus Mental Health Concerns and the Need for a Proactive Response
- Hiring and Retention in Campus Safety
- Current Threat Streams Facing College Campuses ·
- Managing a Mass Casualty Threat ·
- Establishing Clear Principles of Emergency Management
- Alerting your Campus Community during Incidents of Serious or Ongoing Threats

Calendar year 2018 "School Shootings"

Why a "school shooting" article? Immediately following the shooting at Marjory Stoneman Douglas HS in Parkland Florida on 2/14/18, individuals began loosely reporting there have been 18 "school shootings" in 2018 as of February 14th, with little to no explanation or clarification as to what the term "school shooting" referred, or meant. This type of spurious reporting: only focuses on one issue, causes confusion among the public regarding the actuality of these incidents, and it makes the security professional's attempts to drive conversation toward needed, achievable security solutions that much more difficult.
