College campuses are not immune to the opioid crisis. Do you know where you can get Naloxone, the opioid reversal drug? Click [here](#) for a guide to Naloxone access in your state.

Have you been watching the Department of Education's proposed Changes to Title IX? The open comment period in response to this [proposal](#) closed on January 30th. It's hard to know when these changes will be final, but we'll have Clery Act and Title IX experts at the Conference in June who can help us prepare for what's next!

Is your campus prepared for Free Speech?

College campuses can struggle to balance demonstrations about social topics including race, differing view points, free speech and safety. This [article](#) explains more. Have your campus administrators, students and public safety officials talked about expectations for free expression and safety?
